THEIR FUTURE

The Y has been listening and responding to our communities' most critical needs for 160 years. Whether developing skills or emotional well-being, welcoming and connecting diverse populations or advocating for healthier communities, the Y fosters the care and respect all people need and deserve. At the Y, strengthening community is our cause.

Our staff and volunteers are kids, parents, grandparents, neighbors and local leaders who are all personally committed to understanding what our neighborhoods need.

Together we can build stronger, more inclusive communities, provide support for families and promote positive change overall.

OUR MISSION

Tuscarawas County YMCA is committed to enriching the lives of everyone in our community by the development of healthy spirit, mind and body through membership services and programs based on Christian principles and values of caring, honesty, respect and responsibility.

THEIR POTENTIAL

Because we believe that all kids deserve the opportunity to discover who they are and what they can achieve, the Y is for Youth Development. Through the Y, millions of youth today are cultivating the values, skills and relationships that lead to positive behaviors, better health and educational achievement. Y activities give our children the opportunity to become confident kids today and healthier, happier grown-ups tomorrow.

THEIR HEALTH

Improving the nation's health and well-being is a priority for the Y. We offer resources and guidance to maintain or improve physical activity, health and wellness. The Y brings families closer together, encourages good health and fosters connections through fitness, sports, fun and shared interests.
