

# Guidelines

# PICKLEBALL

- **During 3 Court Open Play: West Side Court is for “New to the Game” individuals, Middle Court is considered recreational play, East Side Court is for more competitive play. Please be respectful to others. The Y is a learning, inclusive, fun environment.**
- **If the courts are all in use, place your paddle on the bleacher of the desired court to determine who plays next.**
- **Left to right order of paddles signifies NEXT IN LINE TO PLAY.**
- **If there are less than 4 paddles on the bleacher, after a completed match, the winners may stay and split, the non-winners will exit the court and allow 2 new players on.**
- **If there are 4 or more paddles, after a completed match, the 4 players should exit the court and allow 4 new players on.**
- **If there are no paddles waiting after a completed match, players DO NOT have to relinquish their court and may begin the next game.**
- **When others are waiting to play on your court, please rotate off after 15 minutes of play. Play safe and have fun!**
