# TUSCARAWAS COUNTY YMCA YMCA PRESCHOOL

## State Licensed

Our preschool provides a safe and healthy environment in which your child can develop independence, early learning, and social skills needed for kindergarten readiness. Activities are designed to aid in their development. Skills include: introduction of letters and numbers, colors and shapes, and recognizing/writing the child's name.

Daily job responsibilities are added as a tool in your child's learning process. Kids will explore new ways to enhance their learning process through music, crafts, and gym time.

We take pride in teaching our core values of caring, honesty, respect and responsibility.
