LIVES ARE CHANGED BECAUSE OF YOU

YMCA MISSION MOMENT:

From a Mother's Heart

The Y's financial assistance allowed my teen to prepare himself for his upcoming military career. It gave my son, absent a father, a safe space to hang out and see healthy men on their own path to wellness. The High School would call and say "Your son left in the middle of the school day again..." I knew where he was—safe at the Y.

My son self-corrected his health issues using the YMCA facility in his teenage years. before developing an interest in physical fitness, he was very socially backwards and shy as well. He is now a strong, confident, capable young man, ready to be a United States soldier. I'd like to thank the community as I send my youngest child to boot camp. The YMCA has been there for us since my babies were babies. The bright, well-rounded, intelligent, physically healthy young adults that my three are now... it was truly an "it takes a community" effort. thank you from the bottom of my mothering heart. -B.B.

CHILD ABUSE PREVENTION FOCUS: Know. See. Respond. At the Y, child protection is our number one priority. This organization has zero tolerance for abuse and will not tolerate the mistreatment or abuse of consumers in its programs. Any mistreatment or abuse by an employee or volunteer will result in disciplinary action, up to and including termination of employment or volunteer service and cooperation with law enforcement. Our goal is to help educate parents and children on how to be safe from child abuse in any environment with the skills they learn at our Y. Our staff and volunteers are trained by Praesidium Academy through practices around child safety to ensure your children are safe in our care. The trust that you place in us to care for your children is important to us and we do not take that trust for granted. If you have witnessed or suspect abuse, please call 1-855-OH-CHILD (1-855-642-4453) or the Praesidium Helpline 855-347-0751. All calls and reports are confidential.
