

FOREVER IN SERVICE. For a better us.

Dear YMCA Community:

A lot has changed at the Y over this past year, but our commitment has remained the same—to always be here for our community when people need us most, with open arms and caring hearts.

When the devastating effects of COVID-19 swept across the country and landed on our doorsteps, we quickly mobilized to provide our community with essential services. Thanks to the unwavering support of our members, volunteers and donors, our YMCA has been able to continue offering people a critical lifeline as we work to help our community recover and thrive.

Now, as we launch our 2021 [ANNUAL CAMPAIGN](#), we're asking for your help, so that we can continue to support our neighbors and strengthen our community.

Together, we can provide food for those who are hungry, child care for parents who need to go to work, a safe, nurturing space for kids to attend school remotely, and outreach to seniors who are feeling isolated. Because strong communities are built by people who care about one another.

No matter what challenges the future brings, we can overcome them together. Click here to [GIVE](#) to the [TUSCARAWAS COUNTY ANNUAL CAMPAIGN](#) and help create a stronger community for all or fill out the form below and send it to Jenny@tuscymca.org.

The Y. Forever together. For a better us.

Sincerely,

Tiffany Foxx
