Dear YMCA Member:

Thank you for being an important part of our YMCA family. At the Tuscarawas County YMCA, our mission is to strengthen our community by providing exceptional programs and facilities for all.

To continue delivering the high-quality experience you expect, we regularly review our membership rates and operational expenses. After a thorough evaluation of our programs and costs, we will be adjusting our membership rates effective **January 1, 2026**. This update helps us continue delivering the quality programs and experiences you value, while keeping pace with rising costs in utilities, staffing, equipment, and facility care.

New 2026 Membership Rates:

IMPORTANT REMINDERS:

Rates do not include additional charges such as Sales Tax, Locker Fees, Annual Campaign Contributions or Competitive Team Fees.

Financial Assistance, corporate rates, and other reduced specialty rates will also increase according to the percentage awarded.

Our goal remains the same: to ensure every member feels welcome and supported, with access to the best programs and resources we can provide. These rate adjustments allow us to reinvest in our programs and facility, ensuring your YMCA experience continues to grow stronger.

We also understand the importance of keeping YMCA membership accessible to all. Our YMCA Annual Campaign provides financial assistance to those in need through the generosity of our members, staff and donors. If you would like more information or wish to apply, please contact our Membership Coordinator at 330-364-5511 ext. 308.

Thank you for your continued support and for helping us make a lasting impact in our community.

With gratitude,

Meagan Shaheen,
